Opposer,)	Mark: GREENHOUSE
)	
v.)	Serial No. 86/613,375
)	
Kretek International,)	Filing Date: April 29, 2015
)	
Applicant.)	Publication Date: September 30, 2015
)	

GHSC Trading B.V., a Netherlands company doing business at Keienbergweg 51, 1101 GA Amsterdam Zuid-Oost, Netherlands (hereinafter "Opposer"), believes it will be damaged by the registration of the GREENHOUSE mark shown in Application Serial No. 86/613,375 filed April 29, 2015, by Kretek International (hereinafter "Applicant"), and hereby opposes registration of the mark. The grounds for opposition are as follows:

- 1

3. Opposer markets and sells smokers' articles including oral vaporizers, electronic cigarettes, smoking papers, ash trays, rolling papers, and grinders. Opposer also advocates for the public awareness of safe access to medical cannabis. All of these activities are provided in connection with Opposer's well-known GREEN HOUSE and GREEN HOUSE SEED CO. marks.

4. Since at least as early as April 21, 2009, Opposer has used the GREEN HOUSE mark in the United States in connection with smokers' articles. As such, Opposer acquired common law trademark rights in the GREEN HOUSE mark. The GREEN HOUSE mark has been used to a sufficient nature to have acquired distinctiveness prior to the Applicant's filing date.

5. Opposer owns and uses the trademark GREEN HOUSE SEED CO. in connection with prerecorded DVDs featuring information about cannabis in class 9, key chains and key rings of precious metal, watches, and jewelry in class 14, and cups, saucers, drinking glasses, plates, coffee stirrers and stirrers for other drinks, drip mats for tea, and bottle openers in class 21. These goods are related to the Applicant's described goods of oral vaporizers for smoking purposes, electronic cigarettes, and electronic smoking pipes in International Class 34. Information about the GREEN HOUSE SEED CO. registration is shown in the table below:

Mark	Reg. No.	Reg. Date.	Goods
	3796036	06/01/2010	<ul style="list-style-type: none"> • Prerecorded DVDs featuring information about cannabis in class 9. • Key chains and key rings of precious metal, watches, and jewelry in class 14. • Cups, saucers, drinking glasses, plates, coffee stirrers and stirrers for other drinks, drip mats for tea, and bottle-openers in

			class 21.
--	--	--	-----------

6. Opposer currently has pending the following trademark applications on its GREEN HOUSE mark. Information about the GREEN HOUSE applications is shown in the table below:

Mark	Ser. No.	App. Date.	Goods/Services
	86328217	07/03/2014	<ul style="list-style-type: none"> Seeds for agricultural purposes, plant seeds, and natural plants and flowers in class 31.
	86328200	07/03/2014	<ul style="list-style-type: none"> Public advocacy to promote awareness of the need for assuring patients safe access to affordable medicine that medical cannabis provides; promoting technical and scientific investigation, research, and experimentation in the field of cannabis and cannabinoids, which may be used for betterment of humankind through support of educational institutions and scientific organizations; and public advocacy to promote awareness of medical cannabis in class 35.

7. Opposer currently has pending the following trademark application on its GREEN HOUSE SEED CO. mark. Information about the GREEN HOUSE SEED CO. application is shown in the table below:

Mark	Ser. No.	App. Date.	Goods/Services
	86328179	07/03/2014	<ul style="list-style-type: none"> Public advocacy to promote awareness of the need for assuring patients safe access to affordable medicine that medical cannabis provides; promoting technical and scientific investigation, research, and experimentation in the field of cannabis

			and cannabinoids, which may be used for the betterment of humankind through support of educational institutions and scientific organizations; and public advocacy to promote awareness of medical cannabis in class 35.
--	--	--	---

Printouts of the current status and title of the above referenced Applications and Registration from the USPTO's Trademark Status & Document Retrieval (TSDR) database are attached as Exhibit A. As used hereinafter, "Opposer's GREEN HOUSE Marks" shall include the GREEN HOUSE and GREEN HOUSE SEED CO. marks detailed above unless otherwise indicated.

8. Opposer has advertised and promoted Opposer's GREEN HOUSE Marks continuously and extensively and has made substantial sales of goods and services under the marks. As a result, Opposer's GREEN HOUSE Marks developed and represent valuable goodwill inuring to the benefit of Opposer.

9. There is no issue of priority since Opposer used Opposer's GREEN HOUSE Marks long before Applicant's April 29, 2015 filing date and alleged January 13, 2014 first use date. Opposer started using the GREEN HOUSE mark on smokers' articles as a trademark in the United States at least as early as 2009, five (5) years before Applicant allegedly began using the GREENHOUSE mark. Opposer has priority over Applicant with respect to the marks at issue.

10. Applicant's GREENHOUSE mark is confusingly similar to Opposer's GREEN HOUSE Marks in sight, sound, and commercial impression.

11. Applicant's goods are closely related to the goods and services marketed and sold by Opposer under Opposer's GREEN HOUSE Marks. Both parties' marks are used in connection with articles for smoking. Opposer's GREEN HOUSE common law rights cover, among other things, oral vaporizers for smoking purposes, electronic cigarettes, and electronic

smoking pipes. Applicant seeks to register a confusingly similar GREENHOUSE mark for oral vaporizers for smoking purposes, electronic cigarettes, and electronic smoking pipes.

12. Upon information and belief, Opposer's goods and services and Applicant's goods are sold and marketed in the same channels of trade to the same consumers and/or class of consumers.

13. Based on the similarities in the parties' marks, sight, sound, commercial impression, and trade channels and the closely related nature of the parties' goods and services, consumers and potential consumers are likely to believe that Applicant's goods originate from Opposer or are otherwise endorsed, sponsored or approved by Opposer, resulting in a likelihood of confusion in the marketplace and damage to Opposer.

14. Upon information and belief, Applicant had knowledge of Opposer's GREEN HOUSE Marks before it filed its GREENHOUSE application. By virtue of Opposer's sales and promotion in the United States, which sales and promotion occurred prior to the filing date of Application Serial No. 86/613,375, Applicant had knowledge of Opposer's use of Opposer's GREEN HOUSE Marks. Moreover, Opposer used and promoted GREEN HOUSE in connection with smokers' articles at least as early as 1994 in various countries outside of the United States, which is prior to the filing date of Application Serial No. 86/613,375 and well before Applicant's alleged first use of the GREENHOUSE mark. Applicant had knowledge of Opposer's use of the GREEN HOUSE mark in this foreign context.

15. Registration of the mark shown in application Serial No. 86/613,375 will result in damage to Opposer under the provisions of Section 2 of the U.S. Trademark Act, 15 U.S.C. Section 1052.

WHEREFORE, Opposer requests that this opposition be sustained and the registration sought by Applicant be refused.

Please direct all correspondence to:

A fee payment in the amount of \$325 has been submitted with the application, representing payment for 1 class(es).

Declaration

The signatory believes that: if the applicant is filing the application under 15 U.S.C. Section 1051(a), the applicant is the owner of the trademark/service mark sought to be registered; the applicant or the applicant's related company or licensee is using the mark in commerce on or in connection with the goods/services in the application, and such use by the applicant's related company or licensee inures to the benefit of the applicant; the specimen(s) shows the mark as used on or in connection with the goods/services in the application; and/or if the applicant filed an application under 15 U.S.C. Section 1051(b), Section 1126(d), and/or Section 1126(e), the applicant is entitled to use the mark in commerce; the applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the goods/services in the application. The signatory believes that to the best of the signatory's knowledge and belief, no other person has the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion or mistake, or to deceive. The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements and the like may jeopardize the validity of the application or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.

TM-CT@cantorcolburn.com (authorized)

A fee payment in the amount of \$650 has been submitted with the application, representing payment for 2 class(es).

Declaration

The signatory believes that: if the applicant is filing the application under 15 U.S.C. Section 1051(a), the applicant is the owner of the trademark/service mark sought to be registered; the applicant or the applicant's related company or licensee is using the mark in commerce on or in connection with the goods/services in the application, and such use by the applicant's related company or licensee inures to the benefit of the applicant; the specimen(s) shows the mark as used on or in connection with the goods/services in the application; and/or if the applicant filed an application under 15 U.S.C. Section 1051(b), Section 1126(d), and/or Section 1126(e), the applicant is entitled to use the mark in commerce; the applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the goods/services in the application. The signatory believes that to the best of the signatory's knowledge and belief, no other person has the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion or mistake, or to deceive. The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements and the like may jeopardize the validity of the application or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.
